**MISS "J"**

To you, "Miss J," we dedicate this 1960 yearbook. Through the years your understanding of youth, your teaching, kindness, and willingness to serve this community as a teacher and friend have been an inspiration to all who have known you. In your retirement the student body, faculty, and parents are losing a dedicated educator but keeping a cherished friend. In the years ahead "May the roads rise with you, and the wind be always at your back; and may the Lord hold you in the hollow of His hand."

Once again we have come to the close of another school year. To some it may have been the best ever — and for others perhaps the best is yet to come. We believe everyone has experienced joy and happiness this year; and even though it isn't realized today, it will be tomorrow. If this issue of the SPARTAN ECHO helps you in recalling those past, but treasured moments, then it will have served its intended purpose.

We extend our sincere appreciation to all who have helped us, especially do we thank the distributive education classes for the part they have done on the advertising section, and the photography club for their work on the pictures.

GORDON G. HUMBERT

*To The 1960 Graduating Class of  
Lima Senior High School*

GREETINGS:

THE SPRING OF 1960 — can you ever forget those happy days and pleasant experiences: completion of academic work; the Prom, teas and receptions; good wishes and gifts from relatives and friends; and finally, that coveted award — your DIPLOMA from Lima Senior High School?

You are to be congratulated upon having successfully completed all of the requirements for graduation. For many of you, June 9, 1960, marks the close of formal training; for others, education will continue in schools of higher learning. In the latter case, the Lima Campus of The Ohio State University offers to many of you opportunities heretofore thought to be impossible.

I truly believe that, whatever your goal, the future holds unlimited opportunities in store for each of you commensurate with your desire to succeed. While not all will accomplish spectacular things —each of you can spectacularly affect the quality of the lives of other human beings by relating yourself to them in a sincerely creative way. Each of you can, if you wish, and I hope you will, through your daily relationships, live so that your life will be a blessing to your fellow sojourners. Remind yourself daily to:

TAKE TIME to think — it is the source of power

TAKE TIME to play — it is the secret of perpetual youth

TAKE TIME to pray — it is the greatest power on earth

TAKE TIME to love and be loved — it is a God-given privilege

TAKE TIME to be friendly — it is the road to happiness

TAKE TIME to laugh — it is the music of the soul

TAKE TIME to work — it is the price of success

With many good wishes for your success and happiness in the years to come, and hoping that the memory of your years spent at Lima Senior High School will always be counted among the most pleasant of your life, I remain,

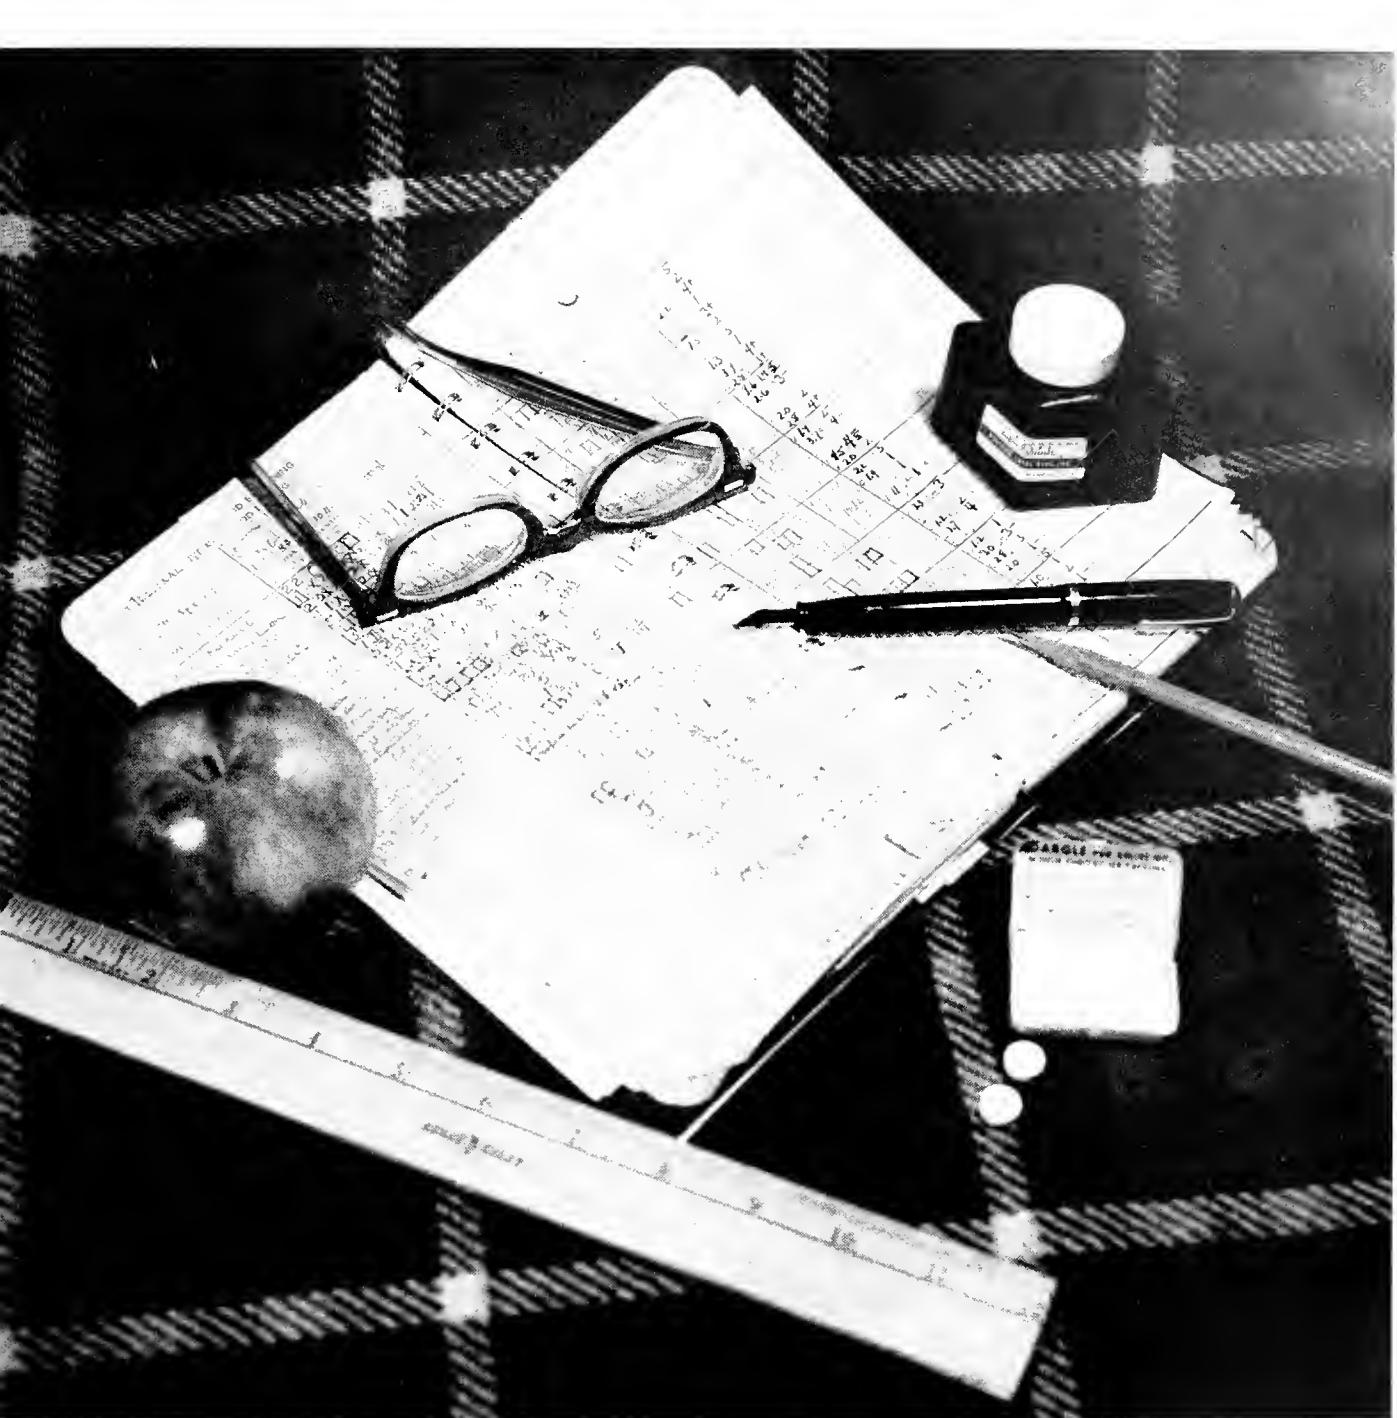

Sincerely yours,  
GORDON G. HUMBERT,

# SENIOR CLASS HISTORY

Well, we've finally made it! We're graduates of Lima Senior High School. For as long as we can remember, we looked up to the seniors, anxiously awaiting this wonderful year. We have now closed the door to our high school years, yet with one hand on that knob our other hand is about to open another door—the entrance to a new life of adulthood.

As we peek through the crack of our school door, we see the memories of our high school days. It seems like only yesterday that we were opening the glass portals to Lima Senior High. How timid we felt standing among the upperclassmen! Would we ever receive the respect and dignity that they had?

Full of hope and ambition we elected Bruce Black, president; Jim Baugh, vice president; Melinda Kerr, secretary; Linda Rex, treasurer, to lead our class on its way to success. We remember going to our first thrilling football game, shyly attending our first school dance, and excitedly, though timidly, participating in school productions. By May we felt more at home. As that first year came to a close, we elected Sara Schaublin and Phil White as attendants to the May King and Queen.

After a hectic and successful year as sophomores, we again opened our school doors — this time more confidently — and proudly took our place as an outstanding junior class.

We took active interest in the school activities: service and interest clubs, choir, sports, and class council. Our class play, "Follow the Dream," was a terrific success. What fun we had preparing for it! We thank Miss Stuart for so ably directing the play.

Our May Day attendants were again Sara Schaublin and Phil White. After counting thousands of tax stamps and putting on a bake sale, after weeks of planning, buying, painting, and decorating, we gave the annual Junior-Senior Prom which was called "A Night in Shangri la". How proud we were to see our weeks of work ending in a terrific evening. The officers that led our class that year were Phil White, president; Bill Holden, vice president; Sally Robertson, secretary; and Marsha Beck, treasurer.

One morning in 1959 we opened for the last year the doors of Lima Senior High. We were seniors! It was like a birthday; we didn't feel any different, but there we were. The officers we chose to guide our class were Bill Holden, president; Jim Baugh, vice president; Denny Hullinger, secretary; and Phil White, treasurer.

This was a great year! In football we had a good record. Our annual Homecoming Queen was Ester Pence with Marsha Beck, Kitty Berlin, Jackie Black, Barb Chambers, Sara Schaublin, and Ruth Ann Williams as her attendants. We had an exciting basketball season. We eagerly thrust ourselves into school activities: Student Council, Spartan Showcase, Holiday in Harmony, Who's Who, Springtime Serenade, the all school play, and lastly the Prom.

We sold tickets, called for food donations, and set up countless committees. Finally we had our big money-making project, the smorgasbord. From the profit we gave the school a gift.

How those last fun-filled weeks flew by! Our heads were whirling with senior assembly, the class picnic, Baccalaureate, and then—Commencement.

Well, it's all over. We have closed the door on our high school days. We can still open that door, though, through our memories. The fight song and the Alma Mater, once just school songs, now have a special and dear meaning to us. We have a long way to go to prove the success of our days spent at Lima Senior High, but the fun we had and the many things we learned will remain with us forever.

### RARE GEMS

Occasionally rare gems are at our feet just waiting for the sharp eye to see and discover them. Our eyes weren't too sharp but the eye of the camera was fast. These "pearls" were discovered way in the back corner of the Junior Y-teens picture. It was too good to keep to ourselves and so the enlarging equipment was dismantled and reassembled to "blow up" this picture of the year. We don't know the true reason for these facial contortions and doubt very much whether Carol or Janice will ever tell. The old myth about "breaking the camera", however, has been exploded because if this wouldn't do it, they just don't break — and the camera is still intact. Thank you, girls, for an enjoyable bit of something or other. We like it.

## OUR FRIEND FROM TURKEY

TULAY CANKAT

This year Lima Senior High School's exchange student is Tulay Cankat from Kayseri, Turkey. She came under the auspices of the American Field Service with the cooperation of the local Kiwanis Clubs. Tulay has been staying with Mr. and Mrs. Harry R. Meredith. Mr. Meredith is a member of the Lima Kiwanis Club.

Tulay explained to us that in Turkey the schools are composed of five elementary grades, three junior grades, and three senior grades. She also told us she had had two years of English before coming to the United States.

Tulay has been active in many organizations throughout the year and has made a genuinely favorable impression upon all who have met her as she has a warm, charming smile, a delightful personality, and sincere, bright outlook on life.

Unfortunately for us, Tulay will be leaving Lima the 27th of June. From here she will travel around the United States with other boys and girls of the American Field Service. July 29 she will leave New York harbor for her home in Turkey.

We the students of Lima Senior High, wish you, Tulay, the best of luck in your future years.

Shown at the right are her mother and father who is a physician. He is shown enjoying his hobby which is flowers. The middle picture is of her sister, Gunay, and the bottom picture is the front of her school in Turkey.
